Professional Bull Riders Built Ford Tough Series

The Professional Bull Riders are bringing their Built Ford Tough series to Tacoma. Watch as the best bull riders in the world try to hang onto these massive beasts

for an eight-second thrill ride.

With the average bull weighing between 1,700 and 1,800 pounds, and some pushing as much as a ton and capable of jumping four to five feet in the air, they're sure to jar anything or anyone who tries to tame them. To the average person eight seconds seems like the blink of an eye, but to these cowboys eight seconds on the back of one of these fierce animals must feel like an eternity.

Don't miss out as these bulls and bull riders keep you on the edge of your seat. It's no wonder why many people consider this America's original extreme sport.

Performing Arts

Pacific Northwest Ballet Presents George Balanchine's *Jewels*

The gems in *Jewels* pay tribute to three golden ages of dance and also to the beauty of the ballerinas Balanchine adored. Poetic and flowing, *Emeralds* evokes France, the birthplace of romantic dance. Its ballerinas drift on stage in clouds of tulle, whispering of elegance, fashion, and fragrance. *Rubies* mirrors the carefree spontaneity of America, a throwback to the musical comedies and films Balanchine created soon after he arrived in his beloved adopted country.

A sassy, jazzy burst of sunshine, *Diamonds* dazzles as Balanchine's tribute to the work of Marius Petipa and evokes the grandeur and precision of the Imperial Ballet of St. Petersburg with each shimmering wave of classical elegance. All choreographed by George Balanchine.

Bowling News

North League—We've reached the halfway point of the season with the completion of the eighth week. Team 1 swept Team 3 to take over first place. Two more bowlers have joined our league swelling our roster to 17 bowlers.

On December 8, we had a season high attendance of 14 participants. The members shared the frustrations of a morning plagued by gutters with a seemingly magnetic attraction for the balls. Splits were many and scores were lower. Highs for the past month were Dee Obee, 226; Bill Lyon, 190; Odessa Curtis, 173; Dorothy Davis, 166. The league average remains at 150.

We bowl on the second and fourth Monday of each month at Glacier Lanes in South Everett at 9:00 a.m. The fee is \$10. BMA Gold Card members and their friends are eligible. Contact Denny Carpenter, at (425) 337-1265. ❖

Thy Will Be Done™

Transforming Your Current or First Estate Plan into a Generational Family Pact

Join Michael Miller, Capital Planning Corp., and Douglas Phillips, JD, as they again present this popular and educational seminar.

Everyday, approximately 6,500 U.S. families lose a loved one. Studies estimate that roughly 3,000 to 5,000 of those people will die without a proper estate plan in place. In addition to dealing with their grief, each of these families may also have to struggle through the process of probate and distributing assets without the benefit of the deceased's wishes or instructions. Even the most harmonious families can find relationships destroyed over the division of money, property, and heirlooms.

Even if you have a plan, are you confident...

- Your plan reflects your wishes?
- Your plan is updated to reflect current law?
- Your family is prepared for their inheritance?

Thy Will be Done™ is a seminar experience unlike any other. Instead of simply listening to a presentation, you will have an opportunity to respond directly to key planning questions and make real-time decisions on your estate plan. If you desire, your decisions will be recorded and reflected back to you in a personalized report. Imagine leaving the seminar having identified and completed:

- Whether or not to use certain types of trusts.
- How to protect certain estate assets from creditors.
- Power of Attorney, Trustees, Personal Representative, and Guardian.
- How to communicate with and prepare your beneficiaries.

Dates: Thursday, January 22 or Tuesday, February 17

Time: 11:00 to 2:00 p.m. (lunch provided)

Cost: \$5 per person (25 person limit)

Location: Skyline Tower, 10900 N.E. 4th St., 9th floor conference room, Bellevue, WA 98004. Parking will be validated if you park in the Skyline Tower garage.
