"The Full Monty" – Based on the internationally acclaimed film, this grin and bare-it-all comedy tells the story of six average-looking, unemployed steel workers on the verge of a bold plan to get themselves out of debt and make amends with those they love. Pushing through fears, building self-esteem, and rediscovering the importance of friendship and family, *The Full Monty* has great heart. This is a feel-good musical with an edgy, yet delightfully wicked, sensibility.

"Anne of Green Gables" – Captivating readers for over a century, this charming musical is based on Lucy Maud Montgomery's best-selling novel. When the Cuthbert's expect to adopt a boy, imagine their surprise when a talkative and clever young girl steps off the train in Avonlea. Witness Anne's transformation from a playful young girl to a confident young woman as she finds her way into the hearts of everyone she meets, despite a knack for getting into trouble! This is an enduring story for all ages.

"Sleuth" – Wealthy mystery novelist Andrew Wyke invites young Milo Tindle to his elegant isolated country house to settle a bit of unpleasant business; Milo is having an affair with Andrew's wife. What begins as a bizarre cat and mouse game of robbery spirals into a complex duel of wits and deception. Packed with thrills, and twists and turns that continue to tip the scale, this Tony Award-winning puzzle will keep you guessing up to the very deadly end!

"Iron Curtain" – There's no Communism like Show Communism! When the Soviets set out to create a Broadway musical, they decide they'll need to bring in some real New York writers – by force, if necessary. Enter Howard and Murray, two down and out musical theatre writers, who are on the brink of throwing in the towel. Kidnapped, taken to Moscow, and forced to fix the worst musical ever written, these two characters suddenly find themselves working under the gun...literally! With an uproarious and upbeat score, *Iron Curtain* is a knock 'em down hit with laughs at every corner.

"Jesus Christ Superstar" – Exploding onto the Mainstage is the groundbreaking theatrical masterpiece *Jesus Christ Superstar* by legendary writing team Andrew Lloyd Webber and Tim Rice. This extra ordinary rock opera highlights the struggles of Jesus of Nazareth and Judas Iscariot during the last week of Jesus' life. With a vibrant score of chart-topping hits like "Superstar" and "I don't Know How to Love Him", *Superstar* is timeless and tremendously powerful.
