"Saint Heaven" – Set in the quaint town of Saint Heaven, Kentucky in 1957, this beautiful new musical tells the soulful story of a young doctor as he returns home to settle his father's affairs and confront the past. Upon his return, he comes face to face with the friends and family he left behind, and encounters a young female preacher with a special spiritual gift. As their journey unfolds, they come together to learn the power of faith, courage, and acceptance. A spirited country/gospel/R&B score propels this intimate and inspiring love story.

"Beauty and the Beast" – A tale as old as time, this charming musical tells the story of the strong-willed and loveable favorite Belle. Longing to escape her everyday life, she finds her path takes a sudden turn when she arrives at the gate of a magical palace. Join The Beast, Gaston, Le Fou, Lumiere, and friends as they embark on a grand journey filled with adventure, cheer, and ultimately learning to love. With classic songs, "Be Our Guest," "Something There," and "Beauty and the Beast," this will be a musical the whole family can share and enjoy.

"The Importance Of Being Earnest" – When two hapless gentlemen grow tired of their restrictive lifestyles, they create a series of elaborate lies leading to a twisted labyrinth of conflict and hilarity. Forced to acknowledge their duties and responsibilities by their respective love interests, these gentlemen realize the true importance of being earnest. Set in late Victorian England, this tale of high-society is sure to cause a stir of laughter and merriment.

"Stunt Girl" – This funny, fresh new musical is based on the true life of Nellie Bly, the incredible investigative journalist, intrepid world-traveler, and captain of industry. Nellie's adventures began in an age when women didn't have the right to vote. Her story, told through this remarkable new musical, is a testament to what can be achieved with hard work and persistence. *Stunt Girl* captures the adventure and romance, dreams and disappointments, and thrills and sorrow of a true trailblazer.

"Show Boat" – Set in the South in the 1880s, this story of love and intrigue, friendship and deception, and marriage and family spans 47 years, tracing the lives of Cap'n Andy Hawks, show boat owner, and his company of entertainers. One of the first staged productions to blend a story with music, *Show Boat* boasts a brilliant score filled with captivating ballads and energetic show tunes. Prepare to be swept away as we float down the Mississippi with such classic tunes as "Ol' Man River" and "Can't Help Lovin' Dat Man".
